

## § 75.45

(1) In the case of exports and domestic transfers, at least 20 days in advance of the preparation of the nuclear material for shipment from the facility.

(2) In the case of imports, at least 12 days in advance of the unpacking of nuclear material at the facility.

(b) For a particular receipt or shipment of nuclear material, the Commission will approve a shorter notice period than that specified by paragraph (a) of this section, for good cause, if it determines that observing the specified notification period would result in delay in shipment or unpacking.

(c) The licensee shall inform the Commission, by phone, as soon as possible, with respect to any delay in the receipt (or unpacking) or the shipment (or preparation for shipment) of nuclear material for which advance notification is required. New dates should be provided, if known.

[45 FR 50711, July 31, 1980, as amended at 73 FR 78614, Dec. 23, 2008]

## § 75.45 Content of advance notification.

(a) The notifications required by § 75.43 must include the element weight of nuclear material being received or shipped, the chemical composition and physical form, the isotopic composition (to the extent specified by license conditions), the estimated date and place at the reporting facility where the nuclear material is to be unpacked or prepared for shipment (and where the quantity and composition can be verified), the applicable IAEA material balance area at the reporting facility, the approximate number of items to be received or shipped, and the probable dates of receipt or shipment. The notification must indicate that the information is being supplied under § 75.43.

(b) The notifications required with respect to export and import shipments shall also include

(1) If available, a general description of containers (including, in the case of exports, features that would permit sealing);

(2) Destination of export as authorized under an export license issued pursuant to part 110 of this chapter, or ori-

## § 75.46 Expenses.

(a) Under the Safeguards Agreement, the IAEA undertakes to reimburse an applicant, licensee, or certificate holder who has been given notice under § 75.7 for extraordinary expenses incurred as a result of its specific request: *Provided*, That the IAEA has agreed in advance to do so. The Safeguards Agreement also contemplates that, in any case, the IAEA will reimburse an applicant, licensee, or certificate holder for the cost of making additional measurements or taking samples at the specific request of an IAEA inspector.

(b) The Commission will inform the licensee, in the license conditions or other written communication, of those items of extraordinary expense which the Agency has agreed in advance to reimburse.

(c) The Commission will inform the licensee, in the license conditions, of the procedures to be used to document:

(1) An IAEA inspector's request for making additional measurements or taking additional samples; and

(2) An IAEA request for a particular action by the licensee that will give rise to reimbursable extraordinary expense.

(d) The Commission will take appropriate action to assist the applicant, licensee, or certificate holder regarding the reimbursement of any expense which, under the Safeguards Agreement, is to be borne by the IAEA.
